Armour College of Engineering

Biomedical Engineering

- Ph.D. in Biomedical Engineering*
- M.S. in Biomedical Engineering*
- M.S. in Biomedical Modeling and Data Science*
- M.S. in Medical Devices and Biomaterials*
- Master of Computational Engineering, Biomedicine Track*

Chemical and Biological Engineering

- Ph.D. in Chemical Engineering*
- M.S. in Biological Engineering
- M.S. in Chemical Engineering*
- M.S. in Pharmaceutical Engineering
- Master of Computational Engineering, Computational Chemical Engineering Track*

Civil, Architectural, and Environmental Engineering

- Ph.D. in Architectural Engineering*
- Ph.D. in Civil Engineering*
- Ph.D. in Environmental Engineering*
- M.S. in Architectural Engineering*
- M.S. in Civil Engineering*
- M.S. in Environmental Engineering*
- M.ENG. in Engineering Management, Project Management Track*
- M.ENG. in Architectural Engineering*
- M.ENG. in Urban Systems Engineering*

- M.S. in Electrical Engineering*
- Master of Biomedical Imaging and Signals*
- Master of Computer Engineering in Internet of Things*
- Master of Cybersecurity Engineering*
- M.ENG. in Advanced Manufacturing, Automation, and Control Systems Track*
- M.ENG. in Artificial Intelligence for Computer Vision and Control*
- M.ENG. in Energy Systems, Energy Transmission, and Markets Track*
- M.ENG. in Wireless Communications and Computer Networks*
- Master of Network Engineering*
- Master of Power Engineering*
- Master of VLSI and Microelectronics*

***STEM-designated programs, which are a gateway to OPT opportunities**

Industrial Technology and Management

- Master of Industrial Technology and Operations*

Mechanical, Materials, and Aerospace Engineering

- Ph.D. in Materials Science and Engineering*
- Ph.D. in Mechanical and Aerospace Engineering*
- M.S. in Advanced Manufacturing*
- M.S. in Autonomous Systems and Robotics*
- M.S. in Materials Science and Engineering*
- M.S. in Mechanical and Aerospace Engineering*
- Master of Computational Engineering, Computational Mechanics Track*
- Master of Engineering Management, Product Design and Development Track*
- M.ENG. in Energy Systems, Energy Generation, and Sustainability Track*
- M.ENG. in Materials Science and Engineering*
- M.ENG. in Advanced Manufacturing Additive Manufacturing Track*
- M.ENG. in Advanced Manufacturing, Digital Manufacturing Track*
- M.ENG. in Manufacturing Engineering, via Internet*
- M.ENG. in Mechanical and Aerospace Engineering*

Chicago-Kent College of Law

- Doctor of Judicial Science (J.S.D.)

Illinois Tech also offers more than 50 certificates in business, science, engineering, applied technology, and the humanities.

Accreditations

Illinois Tech is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. Illinois Tech's colleges and programs are accredited by the country's leading accrediting organizations.

Application Requirements and Steps

Illinois Tech is looking for students of high academic caliber with strong community ties and work ethic. In the application, we evaluate your academic standing, extracurricular activities, and community-based leadership involvement.

We also like to hear why you think an education at Illinois Tech would help you pursue your academic and career goals and how you could contribute to the Illinois Tech community. Be specific. We want to hear your story!

Please note: Master degree-seeking applicants have the option to submit **Graduate Record Examination (GRE)** scores, but **aren't required**. Ph.D.-seeking applicants are still required to submit GRE scores. Individual departments may have different requirements for admission. Please contact an admission specialist with any questions.

Step 1 Complete an Application for Admission

Submit your application and application fee of \$100 online.

Step 2 Submit Transcripts

Submit official or copies of official transcripts, including semester mark sheet, if applicable, of all post-secondary institutions you have attended. If you have completed your degree, proof of degree conferral is also required.

Step 3 English Language Proficiency Exam

Provide an official copy of your English proficiency score report.

Step 4 Letter of Recommendation (Optional)

Letter of recommendation requirements vary across our graduate programs, but typically at least one is required for master's and two for Ph.D. Please review the requirements for your academic degree program at iit.edu.

Step 5 Professional Statement and Resume

Submit an official resume and professional statement regarding your academic and career goals in the degree program you are pursuing at Illinois Tech.

Step 6 Passport

Provide a copy of your passport, which is needed to fulfill the visa requirements.
